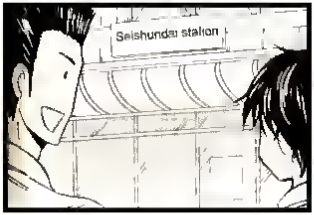
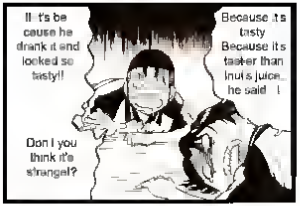
About the high level of that skill

We don't know where it is are we going to be alright?
Seishundai station
A new ramen store was built n five minutes walk from the station!
It's ok we know it's in five minutes walk right?
Let's grab a bite to eat!

I'm taking the long route on purpose so we get there hungrier
30 minutes later
I'm telling you we're fine!!
We're lost
We've been walking for 30 minutes already that means we're lost



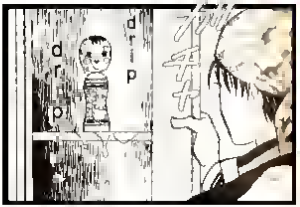
Devil's juice

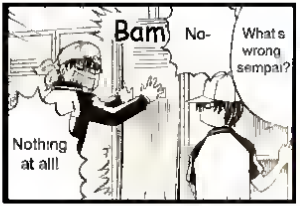


Because it s tasty Because it s tastier than Inui s juice... he said
Ii- it's be cause he drank it and looked so tasty!!
Don I you think it's strange!?

There are no such things as ghosts

BAH! Don I screw with me
Kaidoh sempai Is it true that you are weak against ghosts?
Rather it's just that I don I believe in unscientific things like the occult
It's not that I am scared of ghosts and such





Who knows
Kaidoh s usually the definition of imperturbability but did someth ng happen?
Practice! Practice now!
Wh why are you smelling off dammit !

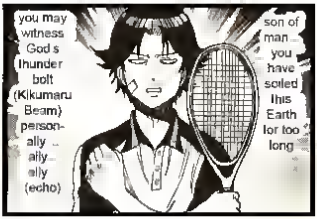
Role-play 2

Then how about we play In e "Hero against God in a tennis match" situation?
Hey Oishi, why don t we practice tennis and role-play again?
I call for tha God role!

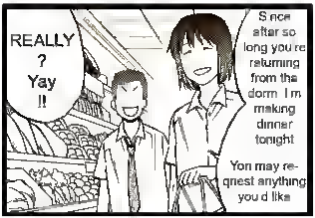


you may witness God s thunder bolt (Kikumaru Beam) person-ally ... ally... ally (echo)
son of man you have soiled this Earth for too long

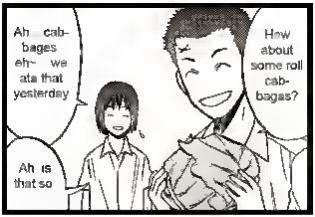
I will bring peace to this world at once and once I return home I will take care of my aquarium
step aside or I ll crush you!!
Heh! I don t care if you re God or whatever
Stop your whining!

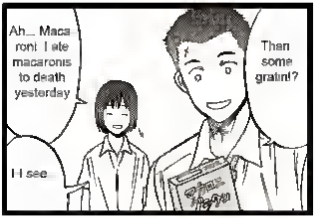
A third force appeared, ii
Destiny is not something that can be determined by a god or a hero
The only one who can deter mine my life is myself

The brothers together at last



REALLY ? Yay !!
Since after so long you're returning from the dorm I'm making dinner tonight
You may request anything you'd like





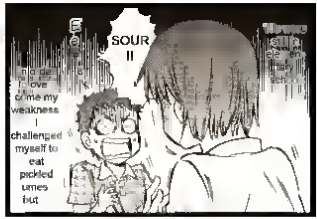
You could have just said from the start that you can only prepare curry
Hey yuuta look over there there are appetizing potatoes, carrots and onions!!

Grateful to Aniki

Special education for the gifted!? You were just teasing your little brother!!
It's chili juice!
That's weird Yuuta you should have been a spicy food lover what with all the special education for the gifted I graciously gave to you
hot hot
chili sauce! chips!

I am thankful for your teasing!
But you know thanks to you making me eat extra-spicy food since we were little
now such sweet food like this feels delicious!

Memory



And even so the actual person himself doesn't remember it!!!
I devel oped a trauma after that, and I couldn't eat too sour things anymore
When you saw the face I made when I ate it, you bitterly cried your lungs out.
